

CONFERENCE ATTENDEE TOOLKIT

The Safe & Together Model conference is your opportunity to gain access to the expertise, contacts, and strategies influencing and progressing domestic violence services and agencies.

To demonstrate the tangible value of your attendance and your organization's investment, use the following toolkit to set goals, define professional development objectives and make the most of your experience.

Concrete strategies.
Meaningful tools.
Real change.

JUSTIFICATION DASHBOARD FOR YOUR SUPERVISOR

Complete the following form to give to your direct manager/supervisor.

What is the cost to attend the event?

Registration, hotel, travel, food, etc.

What funding ideas could you propose?

Grants, professional development funds, other financial sources

What challenges can you address by attending?

Lack of perpetrator interventions, assessment tools, community partnerships, etc.

Want references from past Safe & Together Model conference attendees?

Check out past conference evaluation reports from North America, Europe and Asia Pacific conferences.

What value will your organization receive when you bring information and tools back to the team?

The time spent on current challenges, the assessment tools provided, the size of the team you will bring information back to, etc.

FOR THE REGISTERED ATTENDEE: CONFERENCE GOALS

We appreciate the investment you are making to travel to the conference. We want to help you make the most of your time. Take a moment to use this tool to map out the experience you want to have.

What current challenges do I face in my work?

What three learning opportunities can I find or create that may not be available at other conferences?

What new practice skills will I gain at this event that may not be available at other conferences?

Whom can I partner with to find creative ways of implementation (other attendees/presenters)?

What else would I like to do while in the area?
